Teens and youth Meeting

We have adjusted to the new normal where people changes days to go to work and schools has to be sanitize every time after two days. Having mask at church, in shops, homes when visiting friends or family members and even having public gathering. So we have been meeting with outside most of the time. Most of the question that comes a lot from the teens is that where is God where people are dying and why did He allows all this things happening. But one of the good thing that has come out of this situation is the growth in theirs of prayer and study the word of God. It is the first time where they were consistency coming to the meeting and praying. Some they were even bold to leading prayer. We have 7 of them who gave their lives to Christ and they memories the scriptures to get the Bibles an they did well without any problem. We did not only teach them about the word we had an opportunity to teach then life skills on how to serve others. They participated in cooking, washing dishes.

We had a very wonderful time with the children clubs where they were being taught about the creation, singing and we also feed them. Most of the families are having some challenges that children are three times a week and families don't have enough to feed their children. So we had opportunity to serve them through food as we share the love of God. Thank God for the people who are willing to give us food to help those children and those who allows us to pick vegetables in their gardens. Faithfulness and goodness of our father we have seen it during this season where we had lots of storms, rain and snow. It was snowing so much that people in the mountains wont be able to travel because the roads were closed because of snow. We also had bad storms where some homes were destroyed and some people lost their homes and their work place. But Gods protection was there nobody got hurt.

Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude by which we may offer to God an acceptable service with reverence and awe... Hebrew 12:28
