

DOCTRINES, PRINCIPLES & APPLICATION

Psalm 68

TRUTH	PRINCIPLE	APPLICATION
Where God is exalted the enemy goes away.	If I will exalt God, God <u>will</u> take care of that which is adversarial in my life.	Vs. 1-4
God is for the down-trodden & has prepared a place for them.	God will feel closer & grace will abound in my life in times of humbling.	Vs. 5,6
When God moves, He moves the immovable to give good to those in need.	If I admit my need (to & for God), God will provide me with His good.	Vs. 7-10
God chooses the weak to proclaim first the good news of His victory.	Acknowledging my weakness while believing in His word will place me on the front line of service, prosperity & peace.	Vs. 11-14
The exalted & great of this world God desires not, nor will He dwell in that place.	God has made me small that He might exalt me together & forever with Him.	Vs. 15-18
The humble see God differently than the proud.	Who God is to me defines how He works in my life.	Vs. 19-23
Those forgiven most sing best.	Gratefully realizing what God has done for me produces a strong & effective testimony.	Vs. 24-27
When God saves, confidence is high & boldness is strong.	If I'm lacking confidence & boldness, God didn't do the saving!	Vs. 28-31
True praise always longs for others to join the chorus.	My level of joy is directly connected to Body growth.	Vs. 32-35
